

## **PICK YOUR OWN INSTRUMENT**

### **WHAT IS IT?**

Following the success of PYO in 2008, APO will be holding another event for students (and parents) who are thinking about taking up a musical instrument and for those who are just starting to learn. The event is aimed at Year 7 & 8 students, but all ages are welcome to attend.

### **WHEN AND WHERE IS IT?**

Saturday 10 October 2009 - 3.45pm arrival, 4pm start.

Way Hall, Reading Blue Coat School, Sonning on Thames RG4 6SU

### **HOW WILL IT HAPPEN?**

During a 45-minute open rehearsal of Sibelius' *Finlandia*, students will be able to sit within the orchestra - with their own instruments if they wish - to get a feel for how the instruments sound and how they interact with each other. The Conductor will use the rehearsal process to showcase various instruments of the orchestra and give an insight into the music. After the rehearsal, there will be plenty of opportunity for trying out instruments with APO players & Hickies.

### **DO I NEED TO BOOK?**

There is no need to register for PYO instrument - just turn up.
